

Chapel Hill Band & Strings

Dear Parents /Guardians,

We have met with your child to discuss participation in the school instrumental music program. Instrumental music is offered as a part of the DeKalb School curriculum beginning in the fifth grade. It is taught during school hours, during the activity period and there is no charge for the instruction.

Anyone can learn to play a musical instrument with good teaching, practice, and parental support. Parents need to buy or rent a good quality instrument (please do not do this until notified by the instructor), bring students to evening concerts a few times a year, and supervise their daily practice.

Please complete the form below and return it to your homeroom teacher if you want your child to participate. Additional information will be sent home to you soon.

Sincerely,

Mr. Fowler – Band Director
Mr. Coln - Orchestra Director
